PROFESSIONAL SUMMARY

Quality Assurance Specialist with hands-on experience in manual test execution, API validation using Postman, and end-to-end bug tracking across HRMS, ERP & TADA systems. Proven track record of designing 100+ test scenarios per module and maintaining zero P0 defects.

PROFESSIONAL EXPERIENCE

QA Associate - Infocom Solutions Pvt. Ltd. (Bizlevate HRMS)

Aug 2025 - Present

- Lead end-to-end QA for Bizlevate HRMS across 7 modules: Attendance, Leave, Payroll, Onboarding.
- Perform Postman API contract verification, HTTP status codes, and database sync checks.
- Own QA delivery for enterprise applications including TADA Expense Management & SalesMania.
- Log, triage, and manage high-priority defects in ClickUp, Asana, and Jira during daily standups.
- Leverage GenAI prompt engineering to accelerate edge-case discovery & defect reproduction.

QA Intern - Infocom Solutions Pvt. Ltd.

Mar 2025 - Aug 2025

- Executed functional, UI, smoke, and regression test suites across web and mobile browsers.
- Authored reproducible bug reports with steps, screenshots, and browser network log traces.
- Tested key enterprise software platforms including PrimeSales360, SalesMania, and HRMS.

CORE QA COMPETENCIES & TECHNICAL SKILLS
